OPINION AND ORDER GRANTING MOTION FOR CONTINUANCE

On August 27, 2019, Defendants jointly moved (orally) for a continuance of the final pretrial conference and jury selection and trial because the Defendants and counsel have not yet had adequate time to review the discovery and the Defendants had not had adequate time to consider whether he wished to have a trial or plead guilty. The United States was unopposed to the motion.

Under the Speedy Trial Act, a district court may grant a continuance and exclude the resulting delay from the time in which a trial must commence if it makes on-the-record findings that the ends of justice served by granting the continuance outweigh the public's and defendant's interests in a speedy trial. 18 U.S.C. § 3161(h)(7).

Having considered the Defendant's motion, the Court finds that the failure to grant a continuance in this case would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

Accordingly, the Court finds that the ends of justice are served by granting a continuance in this case and outweigh the best interests of the public and Defendants in a speedy trial, and the period of the continuance is excluded from speedy trial computation.

The Court **GRANTS** the Defendants' motion and **CONTINUES** the final pretrial conference until **September 27, 2019, at 10:00 a.m.** before undersigned and schedules the jury selection and trial for **October 7, 2019, at 8:30 a.m.** before Hon. David S. Morales.

ORDERED this 27th day of August, 2019.

UNITED STATES MAGISTRATE JUDGE
